**AMEND Senate Bill No. 387\***

**House Bill No. 1414**

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, 39-17-420, is amended by deleting subsection (d) in its entirety and by substituting instead the following:

(d) In addition to all other fines, fees, costs and punishments now prescribed by law, in counties of the state having a population of not less than eighty-seven thousand nine hundred (87,900) nor more than eighty-eight thousand (88,000), or a population greater than seven hundred thousand (700,000) according to the 2000 federal census or any subsequent federal census, a drug testing fee of twenty dollars (\$20.00) shall be assessed upon conviction of a violation of this part whenever a drug analysis is performed by a publicly funded forensic laboratory or other forensic laboratory maintained in or operated by any such counties. This fee shall be collected by the clerks of the various courts of such counties and forwarded to the appropriate county trustees on a monthly basis and designated for the exclusive use of the publicly funded forensic laboratory of such counties.

SECTION 2. Tennessee Code Annotated, Section 55-10-419, is amended by deleting subsections (a) and (b) in their entirety and by substituting instead the following:

(a)

(1) In addition to all other fines, fees, costs and punishments now prescribed by law, including the fee imposed pursuant to § 55-10-403(h), a blood alcohol or drug concentration test (BADT) fee in the amount of one hundred dollars (\$100) shall be assessed upon conviction for a violation of §§ 39-13-106, 39-13-213(a)(2), 39-13-218 or 55-10-401, for each offender who has taken a breath-alcohol test on an evidential breath testing unit provided, maintained and administered by a law enforcement

agency for the purpose of determining the alcohol or drug content of such blood.

(2) In addition to all other fines, fees, costs and punishments now prescribed by law, including the fee imposed pursuant to § 55-10-403(h), a blood alcohol or drug concentration test (BADT) fee in the amount of one hundred dollars (\$100) shall be assessed upon conviction for a violation of §§ 39-13-106, 39-13-213(a)(2), 39-13-218 or 55-10-401, if the blood or urine of the convicted person was analyzed by a publicly funded forensic laboratory or other forensic laboratory operated by and located in counties having a population of not less than eighty-seven thousand nine hundred (87,900) nor more than eighty-eight thousand (88,000), according to the 2000 federal census or any subsequent federal census, for the purpose of determining the alcohol or drug content of such blood.

(b)

(1) The fee authorized in (a)(1) shall be collected by the clerks of the various courts of the counties and forwarded to the state treasurer on a monthly basis for deposit in the TBI toxicology unit intoxicant testing fund created as provided in subsection (c), and designated for exclusive use by the Tennessee bureau of investigation for the purposes set out in subsection (c).

(2) The fee authorized in (a)(2) shall be collected by the clerks of the various courts of such counties and shall be forwarded to the county trustees of such counties on a monthly basis and designated for the exclusive use of the publicly funded forensic laboratory in such counties.

SECTION 3. Tennessee Code Annotated, Section 38-6-103, is amended by deleting the first sentence of subsection (d)(1)(B) and by substituting instead the following:

Except when and as provided in this subdivision and subdivision (e)(2), the appropriate clerk, after deducting five percent (5%) as compensation, shall identify such

fees to the Tennessee bureau of investigation and remit the same to the state treasury to be expended as appropriated by the general assembly. The appropriate clerk shall, after deducting five percent (5%) as compensation, remit the fees provided in subsection (d) directly to the county trustee of any county having a population of not less than eighty-seven thousand nine hundred (87,900) nor more than eighty-eight thousand (88,000), according to the 2000 federal census or any subsequent federal census, that operates its own forensic laboratory and performed the test or tests on the convicted person.

SECTION 4. This act shall take effect July 1, 2007, the public welfare requiring it.
